You, Esther, are the most beautiful of all the women in my court. I would like you to be my queen.

After one year of beauty treatments, Esther was made the next queen of Persia.

I crown you Queen of Persia!

Esther's uncle, Mordicai, warned her...

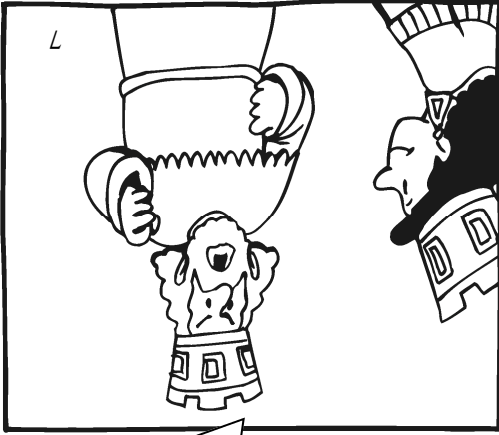

Do not tell anyone that you are a Jew. You must keep this a secret until the proper time.

King Ahasuerus gave a feast in honor of the new queen, Esther.

The King has canceled all royal taxes for a time!

Long live Queen Esther!

The king gave permission to kill the Jews.

Here is my signature ring. Do whatever you think is right.

But the queen heard them talking...

Oh king. We propose that all the Jews be killed. We will pay for their destruction.

The king's advisors gave him bad advice...

King. There is a group of people in your kingdom do not obey your laws. You should not tolerate them.
